Name Joo Han Ki (Neo)
Nation Republic of Korea
Period 2017.01.09~03.05(8Weeks)

I couldn't make up my mind to study abroad when I was in my twenties, so it was my first time studying abroad. I had been longing to study English, but I was bad at speaking English. I chose CG because it was cheap in price and school expenses and most of all it was an attractive one on one lesson and good location. I had five one on one classes and two group lessons.

One on one lessons were very good because I could learn things that I don't understand at a slow pace and my teachers are also very fun and cheerful in teaching. In group lessons, I could know other people from other countries and learn various ways of thinking. Based on these results, I could freely order the contents of the class myself. For example, I focused on what I was weak like in grammar, writing, listening, reading, speaking and vocabulary.

If you want to study English in an environment where there are not many Japanese, I recommend CG. These past 12 weeks were precious experiences for me.

Name Nishijima Taro(William)
Nation Japan
Period 2017.07.01~07.29(4Weeks)

I had a nice time in CG for 1 month. CG has strict rule that pushes me to study.

I think that I can't have the chance to put myself in this strict environment again.

You may think "Isn't it too strict?",

There are humorous teachers, a lot of friends from other countries, cheering each other, and having some time to play made me not to think that it's hard to endure.

I can study English practically, different from the one that I can learn in Japan. So, I could get TOEIC score surprisingly higher than before. If you're hesitating, I recommend you to study in CG!

Name Liang Han Yun(Harvey)
Nation Taiwan
Period 2016.9.18~10.23 (5Weeks)

Hello, I'm Harvey. I studied in CG and it was so effective. I chose CG because it is located far from city, so that I can focus on studying. The main purpose that I study English is to improve my speaking skill for daily life and also for business.

I'm totally satisfied of this effect that I get during 5 weeks. I recommend you have chance to go to island hopping tour that CG provides, and enjoy the beautiful life in Cebu.

Name Quoc Hung Nguyen(David)
Nation Vietnam
Period 2017.07.15~12.30 (24Weeks)

I have some feedbacks about my life in CG school.

Since I came here in July, I consider that I have improved my English skills. And I could get higher IELTS score than before. In addition, I have had many friends as well as teachers and they have helped me to communicate by English without being shy.

Now I don't feel any difficulty when I speak in English. The last thing, CG is the best school I have studied. CG provides high quality curriculum. If I just follow that, I can improve my English skills. I think you should keep it up. wish you the best.
